WorkFit-T & WorkFit-TL Sit-Stand Workstation

For Computer Users

- Enjoy standing or sitting as you work, switching positions whenever you choose. This work style encourages healthy movement throughout the day
- Easily and simultaneously lift LCD screens to proper height for unsurpassed ergonomic comfort

For IT and Facilities Staff

- IT deployment friendly—convert most work areas into a productive and complete computer workstation in minutes
- Flexible, open-architecture design is scalable for future computer equipment

For HR and Company Cost Savings

- Promote wellness in the daily work routine
- Provide standing work platforms for employees without having to buy expensive height-adjustable chairs

INVIGORATE YOUR WORKDAY WITH THIS ULTRA SIMPLE
AND FLEXIBLE SIT-STAND DESKTOP WORKSTATION!

WORKFIT[™]

This ultra simple standing desk solution quickly converts a tabletop into a healthy sit-stand workstation. Simply place the WorkFit-T on an open surface and you're ready to work!

WorkFit-T and WorkFit-TL save space because they move straight up and down, always staying within the footprint of your desktop. The platform is extremely stable throughout its range of motion—one can freely lean on it while working without worry about tip or height-drop.

Five-year warranty: tested and guaranteed!

WORKFIT™

- Stable workstation sits right on top of most surfaces 24" (61 cm) deep or larger; no mounting or clamping required
- System easily lifts straight up and down to minimize intrusion into the workspace
- Ships fully assembled – no tool adjustments needed – making it easy to retrofit existing spaces
- Provides 15" (38 cm) of easy height adjustment
- Counterbalancing mechanism uses Constant Force™ technology to facilitate quick height adjustment; patent pending
- Set one or two monitors or a monitor and laptop directly onto the worksurface; optional monitor kits sold separately
- Keyboard moves in tandem with the worksurface and is positioned 4.5" (11,4 cm) below it
